PARTNER WITH
THE AMERICAN TASK FORCE ON LEBANON

A Premier Opportunity for Global Brands

The American Task Force on Lebanon's 40th Anniversary Gala is one of Washington's most distinguished gatherings, honoring the enduring partnership between the United States and Lebanon. Each year, the event brings together more than 500 distinguished guests including policymakers, members of Congress, senior US officials, diplomats, business leaders, and prominent members of the Lebanese American community.

By joining as a corporate sponsor, your company will gain exceptional visibility among a highly influential audience of decision-makers and thought leaders while showcasing a shared commitment to humanitarian values, international cooperation, and responsible corporate leadership.

Why Partner with ATFL

Premier Brand Visibility

Your company will receive prominent recognition throughout the event, from logo placement and on-screen displays to printed materials and digital outreach before and after the gala, reaching thousands of stakeholders in Washington and beyond.

Strategic Relationship Building

Engage directly with key figures across government, business, and philanthropy. As a trusted voice among US policymakers for 40 years, ATFL is regarded by both the Administration and Congress as a key interlocutor on US-Lebanon policy. The gala offers a rare opportunity to strengthen relationships that align with your organization's policy, partnership, and market goals.

Align with a Trusted Nonprofit

ATFL is a respected 501(c)(3) nonprofit dedicated to strengthening the US-Lebanon relationship and advancing policies that promote stability, reform, and prosperity in Lebanon. Partnering with ATFL reflects your company's dedication to meaningful, values-based engagement.

Demonstrate Global Corporate Citizenship

Your sponsorship directly supports ATFL's work to sustain US engagement with Lebanon and improve opportunities for the Lebanese people, reinforcing your brand's leadership in global responsibility and social impact.
